Subject : Letter of Recommendation

TO WHOM IT MAY CONCERN

It is a pleasure to write this letter of recommendation at the request of Mr. Teuku Wahyu Ardhian Putera to support his master's study plan through the **Australia Awards Scholarship**. I have known him since 2020 as one of the staff in the field of information technology at Universitas Syiah Kuala.

He has an outstanding performance as evidenced by his work in our institution. I could see that he was creative, hardworking, and had good leadership skills. he also has a high motivation to develop his knowledge through master's studies. With his achievements, he has proven to be able to work well with others and I believe this will help him to be successful in the future.

I strongly believe that he has the potential to become an outstanding student. his willingness to further his study is very strong and I believe he has the capability to be successful in his further study. if you are considering for scholarship and graduate study, he is a very good candidate. As the vice-rector of Universitas Syiah Kuala, I would highly recommend Mr. Teuku Wahyu Ardhian Putera for this scholarship and graduate study. Please do not hesitate to contact me via email at marwan@unsyiah.ac.id for more information. Thank you very much.
